"Sound of the trumpet"

Timberlake Christian School

Forest, Virginia

Vol. II, 1977-78

In Memory of
Miss Carol Truxell

1941—1977

Not with great beauty
or strength of demeanor.
Nor through pure eloquence,
volume or phrase.
But with a soul-glow she
caught our attention.
Then with her Christ-love
she won our acclaim.
Beauty in loving, giving
and serving
Graced her days with us,
and now shines above.

Carol Truxell was an overcomer. All of her life was spent surmounting what appeared to be insurmountable problems. As a girl, young woman and mature adult she struggled with physical infirmities which should have caused her to quit — she did not. Rather than view her condition as a reason to give up, she saw it as an incentive to go on. And go on she did until a large host of appreciative people had moved into the circle of her radiant influence for Jesus Christ.

Carol had a singular goal in life: to do what pleased the Lord. Every decision she made was carefully weighed in the light of that consideration. When she joined the faculty at Timberlake Christian School, as our first teacher for students entering grade one, it was immediately apparent that she brought more to her classroom than excellent academic credentials. Miss Truxell carried with her an abiding love for the children placed under her care. Their spiritual welfare was the soul of her mission. Over the years of her tenure at T.C.S. she demonstrated an unusual ability to wed academics and Christian truth. This was firmly buttressed by the consistent example of her own life.

Her loyalty to Timberlake Christian School never waned. Carol was always eager to do anything within her abilities to assist in the programs and promotion of the school. Her suggestion and criticisms were always offered in the highest vein of integrity and constructiveness. During the years of her ministry in our midst she quietly contributed sacrificially to the financial needs of the institution. Unknown to most, she gave many thousands of dollars to T.C.S. out of her heart of love for our children.

After faithful years of service here, Carol was called to the directorship of the Lynchburg chapter of Child Evangelism Fellowship. Although her health was declining rapidly, she breathed fresh life into the organization and C.E.F. began extending its efforts to reach out to children of the Lynchburg area. Her sphere of influence became larger as she met and worked with people from many churches in the region.

If one were asked to single out an attribute from Carol's life that could endure as a model for us all, it would be COURAGE. It was courage born of unquenchable faith in the love and wisdom of God who held the

rights to her life. It was courage that treated suffering and impending death with disdain. It was courage that was manifested by an almost perpetual smile which was genuinely reflective of her inward condition. Whether we saw her in the classroom, on a church pew, within a circle of children on someone's porch, moving along the street or in the intensive care ward of the hospital, it was always the same — a broad smile, a wave of the hand and the assuring word that all was well with her. Her courage was best seen in the fact that Carol never complained. She accepted God's will with a sublime confidence that caused those who passed even a few minutes with her to come away impressed and inspired to go on with God.

Today, she observes our progress from higher climes. Carol has joined that select "cloud of witnesses" who have left our midst to share His presence. May our actions now and in the days to come compliment Carol's pioneer work and gain our Lord's approval.

(The TEKOA Staff expresses its heartfelt gratitude to Rev. Elwood McQuaid for writing this poem and tribute to Miss Truxell for us.)

Naomi is amazed at what she has just read.

Almost there . . .

That thought runs through the minds of the Juniors quite often especially after exams, or term papers. But still the Junior year brought a lot of new experiences; our first Ring Banquet, PSAT'S, plans for Senior Pictures, and Graduation. Some of our Juniors were blessed by the fact that they would no longer have to ride the bus, but were allowed to drive.

This past year has brought mixed feelings, but each student is looking forward to their upcoming Senior year.

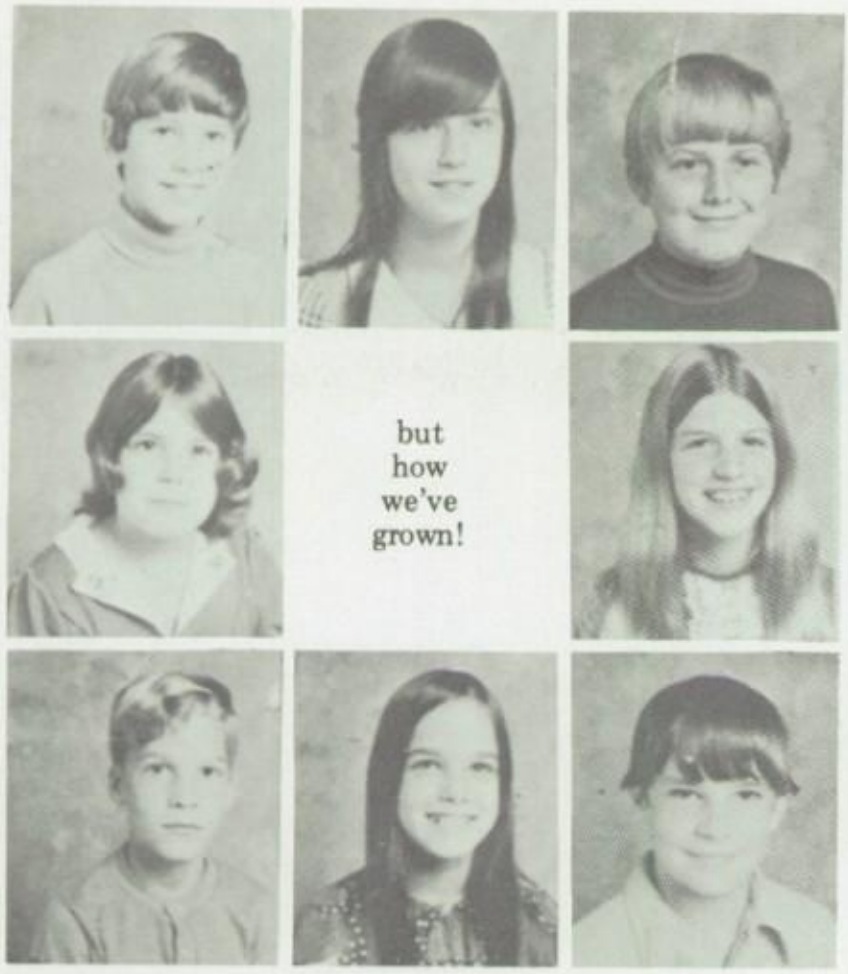
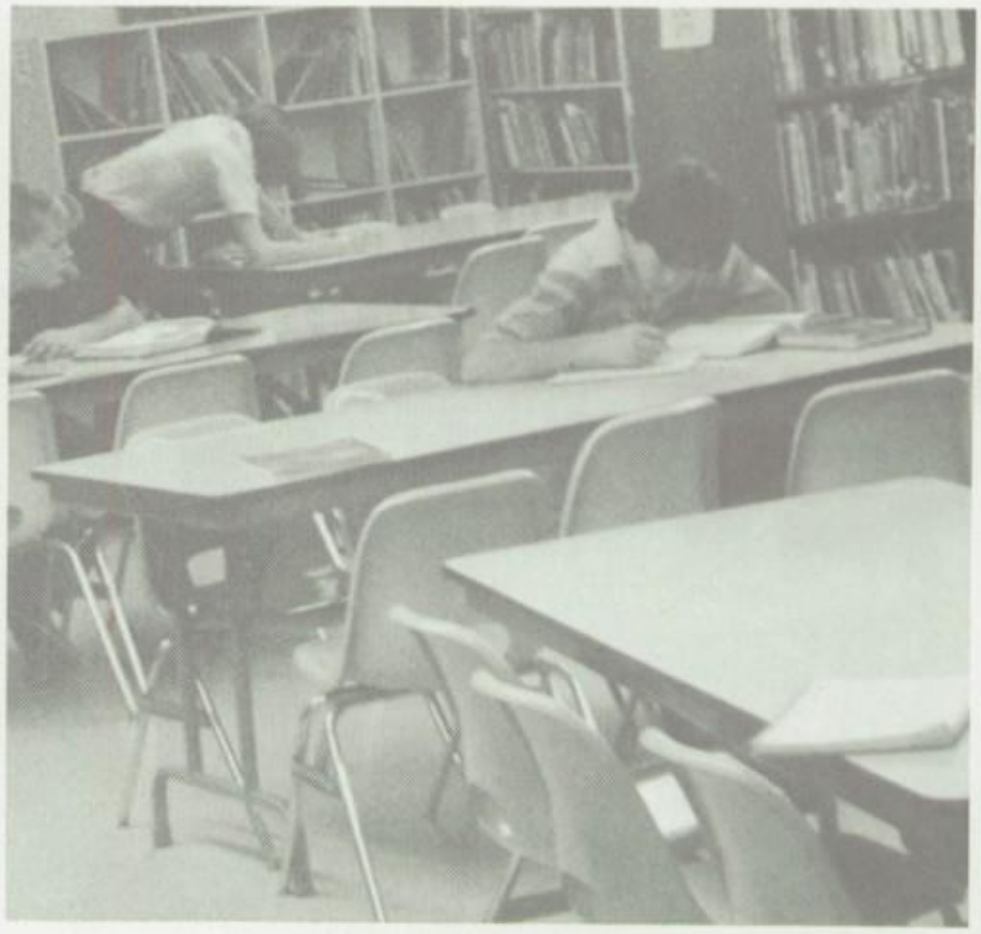
An Open Letter to Mr. Hofmann . . .

You are the worst of the class nuts. When it comes to insults and put-downs, you lead the pack. Even in this picture, you stand out! In fact, if we had a contest for "the lease loveable guy on campus", you would win. But, even with all of this, you do add variety and humor to our day!

Love ya,
the 9th grade





Unusual: They're working!

We Remember . . .
